Re: Re-certification of Building 40 years old.
Property Location: 3601 INVERRARY DRIVE, LAUDERHILL FL 33319

Dear Building Department Official:

The undersigned has been commissioned by the owner to inspect for the recertification a building located at 3601 INVERRARY DRIVE, LAUDERHILL FL 33319 as indicated in the attached report.

On February 24, 2015, an inspection was conducted at the above referenced property. Florida International Engineers & Testing Labs here by certifies the building is electrical safe for its use and present occupancy as provided for Re-Certification as per Florida building Code, Chapter 8-11 (f),

“As a routine matter, in order to avoid possible misunderstanding, nothing in this report should be construed directly or indirectly as a guarantee for any portion of this structure”. To the best of my knowledge and ability, this report represents an accurate appraisal of the present condition of the building based on careful evaluation of the observed conditions, to the extent reasonably possible.

Thank you for your attention to this matter

Very truly yours
